Subject: DEF Quality Detection Survey

Dear Manufacturer,

The Diesel Engine Compliance Center has put together the attached survey to determine each manufacturer's readiness to comply with EPA expectations for DEF quality monitoring as specified in EPA Guidance Letter CD-13-13 (HDOH) required for Model Year 2016 certification. Please complete the attached survey at your earliest convenience (please no later than March 13, 2015) and return to your certification representative. If you have any questions or comments, please also contact your certification representative.

Thank you,
Diesel Engine Compliance Center
